8/9 ENGLISH uses editing exercises to teach and review grammar and writing mechanics. Literature includes reading and discussions. Students gain considerable experience writing in various genres. The year's final project, the radio drama, improves students' oral reading skills. This course is designed for students who already have a foundation in grammar, but who still need more basic instruction before enrolling in Composition 1.

- **Tuition**

- Annually: \$585; semester: \$295; monthly: \$65
